

Attracting Perfect Customers

The Power of Strategic Synchronicity in Your Business!

Let me ask you...

- ... Have you ever had a less-than-perfect customer?
- ... Are you tired of searching for new customers?
- ... Are you an Entrepreneur or Small Business Owner who wants to attract the type of client you love to work with?

- ◆ Learn The New Way: Strategic Synchronicity and how it affects your business
- ◆ Be clear on the signals you are sending out that may be attracting less-than-perfect customers
- ◆ Generate the kind of business you desire and people with whom you enjoy doing business

As the only certified "Attracting Perfect Customers" Facilitator/Synchronicity Leader in Utah, **Laura Arellano** will guide you through the process of creating a **Strategic Attraction Plan** that is specific to your business and can be implemented immediately to increase your organization's client base.

Go to www.MetaLogia.com/Resources to get a free copy of the *Six Steps of Strategic Synchronicity*

"When I went through the program I had some major breakthroughs. Since getting very clear on my perfect customers, I can now pick and choose the clients I work with."

Kathleen Gage
Street Smarts Marketing

*"The workshop was great, and the folks attending made it even better. I made some excellent contacts that fit right in with Attracting **my** Perfect Customers."*

Cheryl Marzec
Sinbad Tours

"Not only did my mortgage loan closings increase by 30%, I also found that I can apply the same techniques taught in the workshop to just about any area of my life, both personally and professionally."

Dan McCandless
Aspen Home Loans
