

# Attracting Perfect Customers

Did you know that when a nail comes in contact with a permanent magnet, the nail becomes a temporary magnet itself, acquiring powers of attraction that it did not previously possess? You can be a magnet to your Perfect Customers!

As a result of this session, the thought  
"We need more customers" will be replaced with  
"Our business now *attracts perfect customers only*"

- ◆ Learn The New Way: Strategic Synchronicity and how it affects your business
- ◆ Be clear on the signals you are sending out that may be attracting less-than-perfect customers
- ◆ Generate the kind of business you desire with the people you enjoy doing business with
