The Law of Attraction Club

at the

12896 Pony Express Rd, Draper, Utah 84020

Sunday, June 13th
2.00 - 3.30 pm

"Prove It! I'll Believe It When I See It"

You know that Law of Attraction is the deliberate use of energy. And even though those of us that integrate LOA principles into our lives and have many successful examples, because these are "unseen" driving forces, their effectiveness and validity are often challenged. Find out more about the hard science that links and substantiates the success of LOA!
